**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I have fiber today though previously connected with competitive DSL when there were only one or two local options available. As a self employed business professional, I rely on these services at my home office and oppose this petition.
